## EXPERIENCE

---

### Technical Support Specialist

**CourseStorm** | Bangor, ME | 2020 - present

Responsible for providing exceptional technical support for CourseStorm's course registration software.

### Communications Director

**Maine Transgender Network** | Portland, ME | 2019 – present

Primarily responsible for creating and maintaining websites as well as creating and maintaining a yearly communications calendar including social media and email marketing.

Key Accomplishments:

- Developed new logos to showcase a new online-focused programming
- Accelerated online traffic by 40% by building a new website with improved organization and updated brand imagery
- Improved programmatic engagement through weekly correspondence with easy to access links to group meetings

### Communications Associate

**Center for Grieving Children** | Portland, ME | 2018 – 2019

Primarily responsible for maintaining the website and creating original content for online and print marketing materials with the purpose of connecting to new donors.

Key Accomplishments:

- Secured over 200 new donors via Facebook to raise an additional \$2,000 every month towards our general fund
- Designed updated print materials to better represent new InterCultural Programming
